NSW Spend

SCREEN NSW ELIGIBILITY

For NSW producers, Screen NSW supports productions that have more than 50% of the total production costs expended in NSW. For an interstate producer, more than 80% of the total budget must be expended in NSW. Where a producer intends to conduct 100% of the project's post-production in NSW, or where the below-the-line post-production spend in NSW is AUD\$3 million or more, the 50%/80% rule may be relaxed for both NSW and interstate producers. Where the eligible NSW spend is AUD\$5 million or more, the 50% /80% requirement may be relaxed for both NSW-based and interstate producers. Where NSW-based producers are coproducing factual projects with interstate producers, the 50% requirement may be relaxed.

Definition of NSW Spend is Item 7 in the Screen NSW [Terms of Trade](#).

Please note particularly the requirements for eligibility of Contingency. (The contingency may be claimed as a NSW Spend only if the entire production including shoot and post occur 100% in NSW. Contingency may not be split.)
