The Production Finance application form can be found on the <u>Production Finance section of our website</u> when the round opens.

**Assessment Criteria** Your application will be competitively assessed against the following criteria:

- The level, nature and quality of the proposed NSW and Regional Spend
- The track record, including the financial track record, and experience of the applicant and any Key Creatives
- The quality of the creative materials
- The potential of the project to reach its target market/s

Screen NSW may also take into account the diversity of productions and regions supported under the program.

#### **SCREEN NSW ELIGIBILITY**

For NSW producers, Screen NSW supports productions that have more than 50% of the total production costs expended in NSW. For an interstate producer, more than 80% of the total budget must be expended in NSW. Where a producer intends to conduct 100% of the project's post-production in NSW, or where the below-the-line post-production spend

in NSW is AUD\$3 million or more, the 50%/80% rule may be relaxed for both NSW and interstate producers. Where the eligible NSW spend is AUD\$5 million or more, the 50% /80% requirement may be relaxed for both NSW-based and interstate producers. Where NSW-based producers are coproducing factual projects with interstate producers, the 50% requirement may be relaxed.

Definition of NSW Spend is Item 7 in the Screen NSW Terms of Trade.
